(b) and (c) The Government have revised and raised the retail issue price of levy sugar under Public Distribution System (PDS) w.e.f. 1.10.97. The price has been rasied from 10.50 per kg. to Rs. 11.40 per kg.

This decision has been taken in view of the likely increase in the prices of levy sugar due to the increase in Statutory Minimum Price (SMP) of sugarcane for sugar season 1997-98 which has been fixed at Rs. 48.45 per quintal linked to a basic recovery of 8.5% subject to a premium for higher recoveries. In the last sugar season SMP was fixed at Rs. 45.90 per quintal.

Requirements of any State over and above the TPDS quotas, can be met subject to the availability of foodgrains in the Central Pool and at the rates which are commercially viable (Economic Cost) to FCI. However, Government has now decided to issue additional allocation of rice & wheat for the month of December, 97 on CIP applicable for Above Poverty Line families.
